

HISTORY OF THE  
IOWA NUMISMATIC ASSOCIATION

BY

W. E. VAN HOOK

MAXWELL, IOWA

HISTORIAN

1938 - <sup>1948</sup>~~1945~~

THERE'S buried treasure over at the State House—treasure that we can believe no living man has seen nor is apt to see.

The treasure is a handful of coins "deposited under the cornerstone" of the new Iowa Capitol on Nov. 23, 1871.

On that day, the face value of the coins was \$40.55.

If we can presume that the committee members buried uncirculated coins (and surely they went to the bank for "mint" money for such an occasion), the coins have increased in value more than nine times since the stone was laid . . .

#### COPPER AND NICKEL

1c of 1869	.....\$10
3c of 1858	.....\$2.50
2c of 1868	.....\$3.50
1c of 1847 (this is the large penny, almost the size of a 50c-piece)	.....\$6
1c of 1869	.....\$8.50

A United States treasury note was also put with the coins, but its denomination could not be learned.

Presuming that all the coins came from the Philadelphia mint (from branch mints, some could be more valuable), and reiterating the assumption that all were uncirculated, here is a list of the gold and silver and copper and nickel pieces, with the values they might have today:

#### GOLD

\$20 of 1870	.....\$ 60
\$10 of 1855	.....\$ 40
\$ 5 of 1853	.....\$ 20
\$2.50 of 1841	....\$200
\$1 of 1851	.....\$ 10

#### SILVER

\$1 of 1871	.....\$5
50c of 1859	.....\$5
25c of 1858	.....\$5
A dime of 1857	.....\$5
A half-dime of 1850	.....\$3.50
3c of 1858	.....\$4

Altogether, 40 different things, or groups of things, ranging from the Bible and the flag to the money, went into—or under—the cornerstone.

There were copies of the federal and state constitutions, of Washington's farewell address, Lincoln's emancipation proclamation and the Iowa governor's 1871 Thanksgiving proclamation.

There were laws and documents and tables and resolutions and reports and periodicals and pamphlets and maps and photographs and rolls of honor, and the census.

And there was a list of the names of the Monroe Cornet Band, all nine present and playing for the ceremonies.

#### HISTORY OF THE I. N. A. MEDAL

Well, folks, here it is—our new I. N. A. Medal, authorized in 1938. We hope you like it. Accepted by our association in 1939 from the design prepared by Miss Marjorie L. Ankeny of Davenport, Iowa. The striking of our medal was delayed until this year due to lack of finances. Improved conditions of our treasury, and generosity of Iowa's number 1 member, J. Henri Ripstra, one of America's outstanding artists and engravers, made it possible to issue the medal for this meeting.

A limited number of medals have been struck, 125 in copper. Twelve medals were struck in silver as awards to Officers of our Association, having served us faithfully and efficiently for the past year.

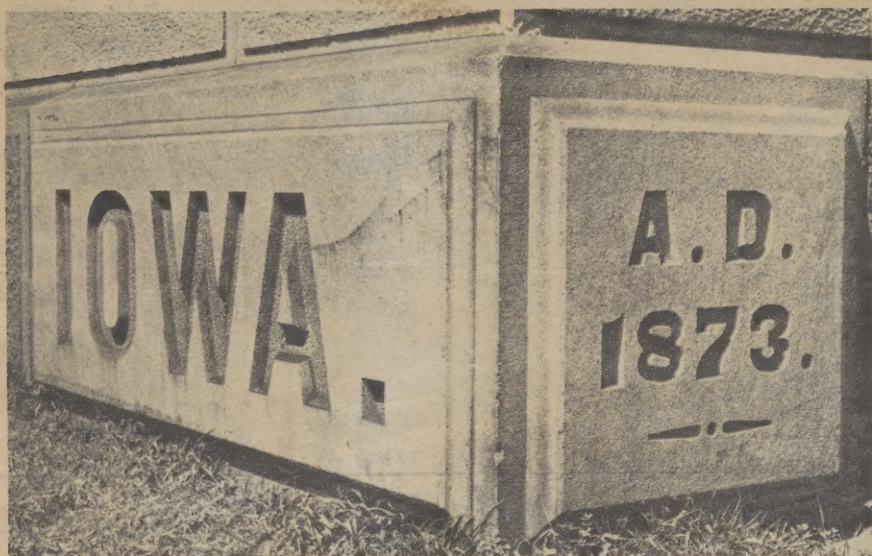

Get yours now—no more available after the 125 are exhausted.

I N A HISTORICAL ITEMS AND EXHIBITS IN THESE BOOKS ARE MOUNTED ACCORDING TO DATE RECEIVED AND NOT STRICTLY IN CHRONOLOGICAL ORDER. *W.E. Van Hook*

State House Cornerstone  
Hides Gold and Silver

THIS STATEHOUSE CORNERSTONE contains old money that would delight any collector. Placed in the cornerstone at dedication ceremonies long ago were a number of items of the times, including these coins: Gold—\$20 of 1870; \$10 of 1855; \$5 of 1853; \$2.50 of 1841; \$1 of 1851. Silver—\$1 of 1871; 50 cents of 1859; 25 cents of 1858; 10 cents of 1857; 5 cents of 1850 and 3 cents of 1858. Copper and nickel—5 cents of 1869; 3 cents of 1866; 2 cents of 1868; 1 cent of 1847 and 1 cent of 1869. Depending on condition and mint mark, the \$40.55 face-value coins could be worth \$548.50 if "very fine," upwards of \$1,298 if uncirculated and \$17,005 if "proof" or uncirculated and of the scarcest types. The cornerstone also holds many other objects.

## Outstanding Coins Shown When Collectors Meet

THE MUSCATINE JOURNAL

11/11/39  
Coin collectors can change the world, Ted Hammer of Burlington, president of the Iowa Numismatic association, declared at a conference of 53 eastern Iowa coin collectors Tuesday night at Hotel Muscatine.

Mr. Hammer, one of several prominent Iowa numismatists present at the gathering, pointed out that few citizens, even the most highly educated, thoroughly understood what money is. Alluding to coin collecting as a hobby which fosters an interest in the study of money and its economic influences, he charged that government officials down through history have recklessly manufactured paper money and made other blunders through ignorance of monetary laws.

### Officials Speak.

William Baker, of Davenport, secretary, and Ernest Moore, of Muscatine, one of the directors of the state association, also appeared on the speaking program which followed a dinner. A display of coins and bills valued at more than \$2,000 and a coin auction were other highlights of the conference.

Prominent collectors introduced were Dr. J. R. Schneider, Rock Island, president of the Quad City Coin club, and Byron Jeffries, president of the Burlington Numismatic club. Miss Margaret Ehn of Rock Island received the special award and prizes were distributed to several others.

Clarence Hahn, president of the Muscatine Coin club, presided at the meeting. An invitation to all coin collectors to attend the state convention at Burlington in May was issued by Mr. Hammer.

### Tells Status in Iowa.

Mr. Baker, in a brief talk, outlined the status of coin collecting in Iowa, declaring that the hobby in recent years has been limited largely to the eastern states. Iowa can go places numismatically, he said.

Details of a trip he made through the bureau of engraving and the U. S. treasury at Washington, D. C., were revealed by Mr. Moore. He told of holding in his hands a 27-pound block of bills worth 120 million dollars.

He said that the machines used in making the bills are almost human in that they record every transaction. The process of completing paper currency requires about three weeks but postage stamps can be completed in three days he said. About 4,500 persons were employed in the plant at the time he made the inspection and although the utmost care is exercised in preventing thefts, all of these employes can be checked out of the factory in about 15 minutes.

### Allbee Auctioneer.

Attorney Harvey Allbee served as auctioneer at the coin auction which followed the speaking program. Among those having coin displays at the event were Myron Brower, O. C. Rittenhouse, Warren Allen, Clarence Hahn, Carl Houdek, and Mr. Moore. One of the outstanding displays was Mr. Moore's collection of pennies dating from 1856 to the present time, the 1856 flying eagle penny alone being valued at \$40. Collections of gold coins, confederate bills, broken bank bills, Mexican currency, fractional U. S. currency and paper tender notes were also included in Mr. Moore's display.

Six of the prizes were donated by the New Netherlands Coin company of New York, one by James Kelly, of Dayton, Ohio, five by Ernest Moore and two by other members of the club.

Attending from the Tri-Cities and Illinois were Mr. and Mrs. William Baker, J. R. Huckins and J. B. Simon all of Davenport; Dr. and Mrs. B. H. Sherrard, Dr. J. R. Schneider and Miss Margaret Ehn, all of Rock Island, and Lawrence Freytag and Earl Potter of Reynolds, Ill.

## Interesting Collections of Coins Shown at Meet

Collections of coins, medals and paper money valued conservatively at five thousand dollars were on display and 67 numismatists from Muscatine and surrounding cities were in attendance when the Muscatine Coin club sponsored its annual mid-winter meeting Sunday at Hotel Muscatine.

Drawing the particular admiration of those viewing the displays were collections of paper money exhibited by Lloyd Gettys of Davenport and by Ernest Moore of Muscatine.

These two elaborate displays comprised many denominations of bills, some of them extremely rare.

### Prizes Awarded.

Judges awarded the prize for the best general collection to Mr. Moore and the prize for the best collection of currency to Mr. Gettys. Prizes for other outstanding exhibits were awarded as follows:

Best commemorative set of half dollars, W. M. Baker of Davenport; best collection of large cents, W. M. Baker of Davenport; best collection of foreign and ancient coins, Mrs. Harriett Hammer, Burlington; most unique collection, Myron Brower; best collection of silver dollars, Frank Gorup of Cedar Rapids; best collection of half dollars, Myron Brower; best collection of quarters, Warren Allen; best collection of nickels, Ernest Moore; best collection of pennies, Ernest Moore; best collection of two-cent pieces, Elmer Laurent of Clinton; best collection of gold pieces, W. M. Baker of Davenport.

Mr. Baker, who is president of the Davenport Coin club and secretary-treasurer of the Iowa Numismatic association, was the principal speaker at the banquet which opened at 12:15 p. m. He urged collectors to study coins and to learn something of the history of the items in their collections.

"We neglect the most important part of numismatics when we fail to study our coins," he said. "We can further the cause of numismatics if we will take the trouble to learn about coins."

### Tells Coin Stories.

The prominent Iowa numismatist said not an Indian, but a white woman posed for the design on the Indian head pennies and pointed out that there are interesting stories connected with many other types of coins which if known by individual collectors would greatly increase the fascination of the hobby.

Ernest Moore, president of the Muscatine Coin club, presided at the banquet program. Lauding coin collecting for its encouragement of thrift and educational development, he said the spirit of the true numismatist is seen not alone in his own enjoyment of the hobby but in bequeathing his collections for the enjoyment of others.

Piano music was provided at the banquet by Verle Nietzel and additional musical entertainment was offered by Patrick Minear, Muscatine's boy soprano, who sang three numbers, accompanied at the piano by Miss Thelma Henderson. Patrick, an honorary member of the Muscatine coin club, was presented with a 1927 peace dollar by Mr. Moore as a token of appreciation.

Another entertainment feature of the occasion was a reading, "The Street Piano," given by Mrs. Verle Nietzel.

### Tells Convo Plans.

Ted Hammer of Burlington, president of the Iowa Numismatic association, listed some of the highlights of the central states numismatic convention to be held at Burlington, April 27-28. He expressed the opinion that the Muscatine club is one of the most active in the state. Several other prominent collectors were introduced and spoke briefly.

Accorded special recognition was Miss M. Ankeny of Davenport, who drew the design for the Iowa association emblem. She was introduced by Mr. Baker. Special prizes were distributed to 26 in attendance. Collectors were present at the meeting from many cities, including Davenport, Clinton, Rock Island, Burlington, Ames, Cedar Rapids and Des Moines. Each delegate received an attractive pearl button badge designed by Harold Grau.

## Coin Club Makes Final Plans for Dinner, Display

Arrangements had been completed today for the Muscatine Coin club's exhibition and banquet to be held Sunday, Jan. 28, at Hotel Muscatine.

It is announced the public is invited to visit the elaborate displays of valuable and rare coins and paper money that will be open for inspection from 10 a. m. until 5 p. m. on the day of the event, and to attend the dinner which will begin at 12:15 p. m. Women as well as men are invited.

### Many Expected.

It is expected the inter-club event will attract coin collectors from many Iowa cities, including Clinton, Davenport, Des Moines, Cedar Rapids, Waterloo, Iowa City and Burlington, as well as from Rock Island and possibly from Chicago and other points in Illinois. The meeting in many ways will be similar to the inter-club gathering sponsored by the Muscatine Coin club last winter.

The principal address at the dinner will be given by W. M. Baker of Davenport, secretary-treasurer of the Iowa Numismatic association, and other talks will be given by Ted R. Hammer of Burlington, president of the Iowa association, and other speakers prominent in the field of coin collecting.

E. J. Asthalter will give the invocation at the banquet and the address of welcome will be offered by Ernest Moore, president of the Muscatine Coin club.

### Other Features.

The program also will include a vocal solo by Patrick Minear, Muscatine's Bobby Green, accompanied at the piano by Miss Thelma Henderson; a reading by Mrs. V. D. Nietzel, and piano

solos by V. D. Nietzel, who will play a number of popular airs. Attendance prizes will be awarded.

The display of coins and paper money is expected to be one of the finest ever exhibited in Muscatine. It will include, along with other items of interest to laymen as well as to coin collectors, an outstanding collection of paper money to be shown by Ernest Moore and Lloyd B. Gettys of Muscatine.

About 100 are expected to attend the dinner. Reservations should be made with Warren Allen, a member of the Muscatine club, by tonight.

In the number of local clubs and in gains in membership in the American Numismatic association, Iowa is rapidly forging to the front in the nation. Iowa will entertain the Central States Numismatic society in the spring at Burlington at the same time the annual meeting of the Iowa Numismatic association is held in that city. This will be the most outstanding coin event ever brought to Iowa and it is hoped that in a few years the state may be granted a convention of the national association.

## Numismatic Heads Inspect Old Coins

Some of the oldest coins in display, entered by Ernest Moore of Muscatine, were being inspected when this picture was taken by The Journal cameraman Sunday at the annual meeting of the Iowa Numismatic convention at Hotel Muscatine.

In the picture are: Lloyd E. Gettys of Davenport, first vice president of the association; M. A. Radke of Des Moines, president of the Iowa Numismatic group; Burton H. Saxton of Cedar Rapids, secretary and treasurer and Mr. Moore of Muscatine.

### Coin Collectors From Wide Area Attend Sessions

Many came from distant places to participate, and coins valued in excess of \$40,000 were on display, when the Iowa Numismatic association annual fall meeting, attended by 76 members, was held Saturday evening and Sunday at Hotel Muscatine.

Presiding over the Sunday pro-

gram was Milton A. Radke of Des Moines, state president, with Burton H. Saxton of Cedar Rapids serving as secretary.

Outstanding coin dealers in attendance were F. K. Saab of St. Louis, Mo., Cpl. Arthur A. Kogen of Des Moines and M. H. Bolender of Des Moines.

Numismatic association members were present from Davenport, Philadelphia, St. Louis, New York City, Rhodes, Ia., Clinton, Cedar Rapids, Fairfield, Hillsboro, O., Des Moines, Waterloo, Dundee Ill., Grand Junction, Ia., Burlington, Walnut, Ill., Rock Falls, Ill., Williamsburg, Va., Freeport, Ill., Reynolds, Cambridge and Kewanee, Ill., and

of exchange, was porcelain money, Siam bullet money and Chinese knife money.

Other interesting displays were by Loyd Gettys of Davenport who showed paper money, featuring the old type large bills in all denominations, V. Leon Belt of Waterloo who exhibited Swedish money. A display of medals, taken in commemoration of historical events belonged to Burton H. Saxton of Cedar Rapids, and types of current coins and large U.S. coins were shown by C. David Pierce of Ottumwa.

Installation of the exhibits took place Saturday evening at the hotel when approximately 25 were in attendance. Opening the scheduled program Sunday morning was the breakfast at 8 a. m. at the Spanish Villa for officers and their guests. M. A. Radke, president, was in charge of the business session at the hotel, which was followed by a dramatization "The Story of Money" by Mrs. Merle Nitzel. Mr. Moore addressed the group on his display of old coins. The banquet at noon was followed by afternoon discussion groups.

The matchlock is the oldest type of gun still in common use today. The Chinese, Tatars, Sikhs, Turks, and Persians still use this weapon and many of the guns actually were made in the 16th century.

## IOWA PREPARES FOR A. N. A. CONVENTION

The 1946 Annual Convention of the American Numismatic Association will be held in Davenport, Iowa, at the Blackhawk Hotel, August 17 to 21.

The theme of this years meeting will be "The Educational Program of the American Numismatic Association."

In addition to the elaborate plans that are being made to entertain the visitors, the Committee in charge plans to see to it that each and everyone attending receives his full share of the hospitality for which Davenport is so justly famous.

Among the outstanding events that have been planned is a "de luxe smorgasbord" to be attacked on Monday, August 19. The "grand banquet" is to be held on the night of August 21, and according to plans it should please the most exacting gourmet.

Medals in commemoration of the Convention are being prepared in gold, silver, and bronze. Sets of these will be on sale, but the bronze medal will be given to all those who pay the registration fee of \$7.50.

CALLING ALL IOWA COIN COLLECTORS!

The Des Moines Coin Club will be host to all Iowa Collectors and their wives at a State-wide meeting, to be held Sunday April 3 at the Savery Hotel, Des Moines, Iowa. The morning session will convene at 10:00 AM and will be devoted to a business meeting for action on the proposal of a permanent all-Iowa organization and round-table discussions of interesting subjects proposed from the floor. The climax will be a talk on our hobby by Mr. J. Henri Ripstra, President of the A.N.A., and you will want to be here, if for no other reason than to meet him. The ladies' program will be of their own making and as they wish.

Dinner will be served at 12:00 Noon, at \$1.50 per plate and a fine meal is assured. Following the dinner, an auction sale has been arranged, which will include an excellent variety of coins, largely in proof and uncirculated condition. After the auction sale, the public will be admitted to witness the fine display of coins for which we have arranged.

This meeting, the first of its kind in Iowa, and so far as we know in the United States, deserves the support of every collector and its purpose is to foster the interest of everyone in our hobby and to promote its growth.

A similar letter is being addressed to every known collector in the State. This will be YOUR meeting and we hope you will spread the news among your collector friends whom we have not been able to contact and urge them to attend, so this will be a most successful meeting. Being YOUR meeting, it requires your unqualified support.

Please return the enclosed postcard immediately, to enable us to arrange accommodations. Don't find any alibi to prevent your coming. We want this meeting to be successful and to perpetuate it, rotating the place of the meeting each year. We have only just been informed that you are interested in coin collecting; hence this short notice about the meeting.

Sincerely yours,

49 collectors joined the organization in Iowa City June 19. That's a fine start, but it should be double that number by the time we meet in Des Moines early in October. Mr. J. Henri Ripstra told us Iowa led numismatics this year--let's make him say it again in 1939.

## PLANS FOR MEETING IN DES MOINES PROGRESSING

R. E. "Mac" McLain, chairman of the meeting in Des Moines this fall, is hard at work on plans for that convention and will announce the program within another few weeks. "It will be a honey and the person remaining away will regret it always," says Mr. McLain. Des Moines is considered America's leading convention city, so we'll be expecting a good time. There will be a breakfast meeting followed by meetings of officers and committees, before the general business session.

We learned a lot from the Iowa City meeting--it was arranged entirely by mail, with the men in charge living in different cities and with no representative in the convention town....Among other things, we entirely forgot the bridge game arranged for the ladies, although we brought along the cards and had arranged for the use of a room at the hotel. Mr. McLain, having his committee right there in Des Moines, is planning the meeting so there will be no slip-ups and no confusion. There will be an auction and lists will be available. Information may be obtained from him about the auction. And there'll be a top-notch speaker following the noon banquet.

-----

## DEALERS' BOURSE IS SUGGESTED

The Lawrence brothers of Anamosa suggest we have a dealers' bourse at Des Moines, with dealers permitted to display their wares. What do you think of it? Perhaps we could rent card tables to dealers at \$1 each or more or less, for this purpose, and thereby increase the financial standing of INA. Write Mr. McLain or Ted Hammer your views on this.

-----

## MEDALS ARE EXHAUSTED SAYS COLE

So many persons sent in after the Iowa City meeting to buy the Iowa collectors' medals, the supply has been exhausted. We donated one to the ANA library, Chase collection in New York, and to several dealers who helped us financially by donating coins for the Iowa City meeting.

## ADVERTISING IN INA ISSUES

In future bulletins, advertisements will be accepted if enough come in to make it worth while. Ad rates will be 50¢ per square inch for display and 1¢ a word for classified. Only members in good standing may advertise. As the bulletin becomes larger, we'll try and add a "swap" column open free to members. Okay?

FROM Ted R. Hamner, Burlington, Ia., President, Iowa Numismatic Ass.

TO

Aug. 23, 1938

Earl M. Cole, Des Moines, Ia., secretary-treasurer, INA,  
R.E. McLain, Des Moines, first vice president, INA,  
V. Leon Belt, Waterloo, second vice president, INA.

Dear Fellow Officers of INA:

With the First of September only a week away, I think we'll have nothing against the idea to start at once on the fall meeting.

With centennial celebrations throughout the state, fishing trips, vacations and so on, it no doubt will be difficult to find a time when everyone will be able to attend. I have several suggestions relative to the meeting, and I know Mac will be glad to have others, so it might be a good idea to show this letter to other INA officers or at least talk with as many as possible. I'd hoped to be able to visit Des Moines next month---but our centennial will be Sept. 8 to 11, and I have to go to Chicago so my trip there even for a week end looks doubtful. Earl and I had good luck with mail before, so perhaps this plan will work again. I believe publicity should be started at the earliest possible date. You may recall the time of the next meeting was left to me---so we should get together on it as soon as possible. If there is some other attraction in Des Moines Sunday, Oct. 5, this may help increase attendance to our meeting.

It might not be bad to have a reception the night before if a free meeting place can be found. As mentioned previously, there is a small auditorium in the Register and Tribune building which I'm sure I can get gratis if alright with others. For your information, Chicago will have at least four delegates present, including President Ripstra of the ANA, Merrill Vernon Sheldon who now is general secretary of the ANA, Lee Hewitt of NUMISMATIC SCRAPBOOK, and President Rayson of the Chicago Coin Club. They are coming over Saturday night on the Rocket. If convenient, I'd like a breakfast meeting with officers---or at least a half hour's session before the regular meeting.

After attending the ANA convention, I'm convinced our Iowa City meeting was an even bigger success than we thought at the time. There was considerable bickering over trifles in Columbus---even the local clubs of Iowa are conducted on a more business-like basis. By the way---Earl and I made a joint district secretary report. While others were summarized, ours was read in full, and Iowa received much commendation for the numismatic work of the 1937-1938 year. Our auction, with all its faults and lost time, was conducted more rapidly and better than the one in Columbus despite the fact they had a professional auctioneer there. Hope Mr. McLain and Earl Cole can get together on a good auction for the Des Moines meeting.

Hoping to hear from you soon regarding the Des Moines meeting, and that the time and place may be set soon so we can publicize the program, I am

Cordially,

Ted

Dear Van,

For the time being this is all that I could come up with in the way of old notes. I must have a good deal more stored away and will try to look them up soon.

This picture must have been taken in one of the early conventions. T Leon Belt was President which would put it around 1939-40 etc. -1938-

The only reason that I saved this picture is because my frame of depression script was on the table.

Secretary-Treasurer's Report.

Iowa Numismatic Association .

Burlington Iowa. May 21 1939.

The Iowa Numismatic Association formed at Iowa City, June 19 th, 1938, will soon enter the second year of existence. Concieved as an orginization of mutual interest to the Iowa Collector, it's membership has grown from fifty five to one hundred and one. The conventions at Iowa City and Des Moines were given wide publicity throughout Iowa and has resulted in, increasing numismatic activity. Local coin clubw have been orginized at Clinton, Ft. Dodge and Burlington Iowa, the past year. Membership in the state body should easily reach the one hundred fifty mark by 1940. This membership can be attained if our clubs through active membership secure those collectors in each community not affiliated with any numismatic group.. The A.N.A. lists thirty five Iowa members not belonging to our Iowa Association. They need us and we need them and an effort will be made to secure their membership.

Through President Hammer's efforts we secured at nominal cost, coin cases. These cases were needed equipment and insures proper facilities for display and protection of coins at future meetings.

The I.N.A. Bulletin, all credit to Mr. and Mrs. Hammer, has recieved much favorable comment from the Iowa collectors. It has grown with the association and each issue has been an improvement over the past one. A duplicator was purchased by I.N.A. to facilitate the work necessary to get out each issue. This duplicator has more than paid for itself in savings, as the early issues were printed by outside parties and the expense involved was considerable.

The adoption of an I.N.A. seal approved at the Des Moines convention has been delayed through lack of finances. This matter will be taken care of as soon as the treasury permits.

One hundred twenty five letters pertaining to I.N.A. activity has been written by the secretary. Many post cards and a few letters have been written to non-members

in reply to inquiries about extremely rare Columbian half dollars, Indian head cents and old coins of the junk type, postage never included with inquiry.

The secretary admits that more correspondence between this office and local clubs, also I.N.A. members should exist..No alibis offered.

Report of the I.N.A. finances is covered in the following pages, and with full knowledge that the membership body of I.N.A. have full authority to accept or reject an action to increase the I.N.A. dues, the treasurer respectfully requests that the governing board of I.N.A. seriously consider such a measure as a necessary step for the preservation and continuation of this numismatic body and their activity.

*Wm. Baker*  
Secretary-Treasurer.

Secretary-Treasurer's Report.

Iowa Numismatic Association .

Burlington Iowa. May 21 1939.

The Iowa Numismatic Association formed at Iowa City, June 19 th, 1938, will soon enter the second year of existence. Concieved as an organization of mutual interest to the Iowa Collector, it's membership has grown from fifty five to one hundred and one. The conventions at Iowa City and Des Moines were given wide publicity throughoutn Iowa and has resulted in, increasing numismatic activity. Local coin clubs have been orginized at Clinton, Ft. Dodge and Burlington Iowa, the past year. Membership in the state body should easily reach the one hundred fifty mark by 1940. This membership can be attained if our clubs through active membership secure those collectors in each community not affiliated with any numismatic group.. The A.N.A. lists thirty five Iowa members not belonging to our Iowa Association. They need us and we need them and an effort will be made to secure their membership.

Through President Hammer's efforts we secured at nominal cost, coin cases. These cases were needed equipment and insures proper facilities for display and protection of coins at future meetings.

The I.N.A. Bulletin, all credit to Mr. and Mrs. Hammer, has recieved much favorable comment from the Iowa collectors. It has grown with the association and each issue has been an improvement over the past one. A duplicator was purchased by I.N.A. to facilitate the work necessary to get out each issue. This duplicator has more than paid for itself in savings, as the early issues were printed by outside parties and the expense involved was considerable.

The adoption of an I.N.A. seal approved at the Des Moines convention has been delayed through lack of finances. This matter will be taken care of as soon as the treasury permits.

One hundred twenty five letters pertaining to I.N.A. activity has been written by the secretary. Many post cards and a few letters have been written to non-members

in reply to inquiries about extremely rare Columbian half dollars, Indian head cents and old coins of the junk type, postage never included with inquiry.

The secretary admits that more correspondence between this office and local clubs, also I.N.A. members should exist..No alibis offered.

Report of the I.N.A. finances is covered in the following pages, and with full knowledge that the membership body of I.N.A. have full authority to accept or reject an action to increase the I.N.A. dues, the treasurer respectfully requests that the governing board of I.N.A. seriously consider such a measure as a necessary step for the preservation and continuation of this numismatic body and their activity.

*Wm. Baker*

ANNOUNCE AUCTION LIST FOR SEMI-ANNUAL CONVENTION IN WATERLOO OCTOBER 15.....

Carl Houdek of Muscatine announces herewith the list of excellent auction material for the meeting in Waterloo Sunday, Oct. 15. Usual rules on auctions prevail. Only difference is that half will be run in the forenoon and the second half after the Sunday noon banquet. The business meeting will require only a few minutes this time. There will be a dealers course.

General Chairman V. Leon Belt announces briefly the following program for the Waterloo convention. (Hotel Russell Lamson)

ADIOS

Give your wives and families a big treat and bring them to Waterloo..... Give yourself a swell time by coming over the afternoon or evening before and enjoying the fellowship of some 75 other INA members and wives. The Waterloo club is arranging auto tours, a visit to the radio station (in Hotel Russell Lamson where convention will be held).

Only cost to you is the banquet fee--and you can sell enough duplicates there to pay for this. There will be one or two roundtable discussions and opportunities to answer questions.

FOR THE FIRST TIME AT ANY INA CONVENTION, THERE WILL BE A QUESTION BOX. YOU WILL BE INVITED TO ASK ANY QUESTION ABOUT COINAGE, COLLECTING GENERALLY AND SO ON. QUESTIONS WILL BE PLACED IN A BOX AND SORTED OUT BY THE "EXPERTS." These will be handled at the morning meeting, banquet if time permits and in the afternoon. Several short talks are being scheduled--this is rather indefinite at this time due to the fact several prominent dealers and collectors have been invited to stop off enroute home from the ANA convention. We are almost certain to have several such visitors. Royal Holbrook of Iowa State College, Iowa History authority, will be a banquet speaker.

Congratulations on your rapid growth, Central States Numismatic Society. You have adequately filled a long felt need.

We, in our own small way, have also tried to do our part for the hobby.

Twelve years ago there was only one Hollinbeck Stamp and Coin Store. Now there are FOUR. The reason for our growth? Fair dealings on a small margin, rapid turnover, and prompt courteous service.

Whether you wish to buy or sell, it will pay you to consult us.

# It's a Pleasure to Attend This Convention

—::—

The Central States Numismatic Society and the Iowa Numismatic Association are to be congratulated. They are filling a void between Annual ANA conventions and the numismatic fraternity is pleased at the opportunity to meet with as progressive an organization as can be found in the entire country.

Personally, I would just as soon miss the annual convention as miss this one. But I'll probably make both — as long as there is room at the Burlington Hotel.

OF COURSE WE BUY SINGLE COINS AND ENTIRE COLLECTIONS AT LIBERAL PRICES, AND SOLICIT YOUR OFFERINGS WITH ASKING PRICES.

Congratulations on your rapid growth, Central States Numismatic Society. You have adequately filled a long felt need.

We, in our own small way, have also tried to do our part for the hobby.

Twelve years ago there was only one Hollinbeck Stamp and Coin Store. Now there are FOUR. The reason for our growth? Fair dealings on a small margin, rapid turnover, and prompt courteous service.

Whether you wish to buy or sell, it will pay you to consult us.

# It's a Pleasure to Attend This Convention

The Central States Numismatic Society and the Iowa Numismatic Association are to be congratulated. They are filling a void between Annual ANA conventions and the numismatic fraternity is pleased at the opportunity to meet with as progressive an organization as can be found in the entire country.

Personally, I would just as soon miss the annual convention as miss this one. But I'll probably make both — as long as there is room at the Burlington Hotel.

I have been trying to find this list for couple of months. So I'm sending it to you for safe keeping. This a early auction list and should be interesting to the INA history.

I was at this Convention and the prices realized are in pencil and not all are clear but the greater share are there,

### HISTORY OF THE I. N. A. MEDAL

Well, folks, here it is—our new I. N. A. Medal, authorized in 1938. We hope you like it. Accepted by our association in 1939 from the design prepared by Miss Marjorie L. Ankeny of Davenport, Iowa. The striking of our medal was delayed until this year due to lack of finances. Improved conditions of our treasury, and generosity of Iowa's number 1 member, J. Henri Ripstra, one of America's outstanding artists and engravers, made it possible to issue the medal for this meeting.

A limited number of medals have been struck, 125 in copper. Twelve medals were struck in silver as awards to Officers of our Association, having served us faithfully and efficiently for the past year.

Get yours now—no more available after the 125 are exhausted.

The size "penny" as applied to nails is taken from the penny as applied to money. "The phrase originated about the 15th century when the price of nails in England was determined by the size—those sold at six-pence a hundred were six-penny nails—ten-pence a hundred ten-penny nails, etc."

## Central States Numismatic Society

### HISTORY

The idea of a Central States numismatic organization was first discussed by a group of mid-westerners during the Minneapolis convention of the American Numismatic Association in 1926. Nothing was done about it, however, until the fall of 1938, when Lee F. Hewitt, Editor of the Numismatic Scrapbook Magazine, placed a proposal before the Chicago Coin Club. It was agreed that the Chicago Coin Club and the Numismatic Scrapbook Magazine would subsidize a Central States Numismatic Conference in the spring of 1939 at Chicago.

Other clubs in the area were invited to become sponsors of the Conference.

The Conference was held at the Congress Hotel in Chicago, April 22 and 23, 1939, and was attended by 250 numismatists. At this meeting the Central States Numismatic Society was organized. The first officers elected were: Arthur B. Kelley, St. Louis, President; R. E. Davis, Chicago, First President; Hubert Polzer, Milwaukee, Second Vice President. A Board of Directors was elected consisting nine members; they were: Dr. J. Hewitt Judd, Omaha; Earl F. Barger, Chicago; Dr. Richard Hellman, Kansas City; Clifton Temple, Detroit; R. R. Reynolds, Flint; Ted Hammer, Burlington; H. W. Walker, Warren; Dr. E. D. Skeen, Gary; M. J. Carls, Racine. The office of Secretary-Treasurer is appointive and Eric Newman of St. Louis was selected by President Kelley.

In 1940 the convention was held at Burlington. At this meeting R. E. Davis of Chicago was elected President. Mr. Davis became ill during the convention and passed away shortly thereafter. First Vice President Hubert Polzer of Milwaukee then became President.

At the 1941 convention held in Milwaukee, Dr. J. Hewitt Judd of Omaha was elected President. It was at this meeting that the "Central States Numismatic Society Award" was proposed. The award to be made annually to the club in the Central States area are doing the outstanding work in the promotion of numismatics during the year.

## Iowa Numismatic Association

### HISTORY

Iowa Coin Collectors organized a State Association at a meeting held in the Jefferson Hotel in Iowa City, Iowa, on June 18 and 19, 1928, prepared and adopted a Constitution and By-Laws, elected officers, held a banquet, and an auction, forming the IOWA NUMISMATIC ASSOCIATION.

Tokens were struck in brass and distributed to those present. Today these are quite scarce and bring good prices when obtainable.

Ted R. Hammer of Burlington was elected President; R. E. McLain, Des Moines, First Vice-President; V. Leon Belt, Waterloo, Second Vice-President; Earl M. Cole, Des Moines, Secretary-

Treasurer, and Directors were Elmer Laurent, Clinton, L. A. Page, Mason City, L. G. Rogers, Waterloo, Ernest Moore, Muscatine and Walter P. Böhler, Ames.

Additional speakers to Mr. J. Henri Ripstra, Chicago, at this meeting were Lee Hewitt, Editor of The Numismatic Scrapbook, and M. Vernon Sheldon, Secretary of the Chicago Coin Club of Chicago.

SECOND meeting of the Iowa Numismatic Association was held at Des Moines, on October 15 and 16, 1938, in the Severy Hotel, with a registration of some 70 members. Mr. J. Henri Ripstra, A. N. A. President, and M. Vernon Sheldon, A. N. A. Secretary spoke at the Sunday meetings and made broadcasts over Station KRNT Saturday night.

THIRD meeting of the I. N. A. was held at the Burlington Hotel, in Burlington, Iowa, on May 20 and 21, 1939.

Speakers included A. N. A. President, J. Henri Ripstra, Mr. Russell Daniel a Secret Service Operative from Omaha, Lee Hewitt, Chicago, Editor of the Numismatic Scrapbook, and others.

Officers elected for the coming year were President, Ted R. Hammer, Burlington; First Vice-President, V. Leon Belt, Waterloo; Second Vice-President, Milton Radke, Des Moines; Secretary-Treasurer, W. M. Baker, Davenport; Directors, Elmer Laurent, Clinton; L. A. Page, Mason City; Walter P. Böhler, Ames; Lauren Benson, Davenport, and Clarence Hahn, Muscatine.

FOURTH meeting of the Iowa Numismatic Association was held at Waterloo, Iowa, on October 14 and 15, 1939, at the Russell-Lamson Hotel, with some 120 persons present.

FIFTH meeting of the I. N. A. held its Spring meeting in conjunction with the Central States Numismatic Society convention at Burlington, at the Burlington Hotel, on April 27 and 28, 1940, with over 200 present. This was the largest number of numismatists ever assembled at a convention held West of the Mississippi.

I. N. A. held its meeting on Sunday and elected officers for the ensuing year as follows: V. Leon Belt, Waterloo, President; Milton Radke, Des Moines, First Vice-President; Ernest Moore, Muscatine, Second Vice-President; W. M. Baker, Davenport, Secretary-Treasurer; Directors, Walter Böhler, Ames, C. David Pierce, Ottumwa; Elmer Laurent, Clinton; D. N. Green, Fairfield; and L. S. Wright, Davenport.

Collectors from eleven states: Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Nebraska, New York, Ohio, Texas, and Wisconsin were present. Interesting and instructive talks were made by several noted collectors including R. E. Davis of Chicago and B. Max Mehl of Texas.

First Silver Lapel Buttons showing I.N.A. seal were presented to outgoing officers.

SIXTH I. N. A. convention was held at the Sheldon-Munn Hotel at Ames, Iowa, on October 19 and 20th.

SEVENTH convention held at the Black Hawk Hotel in Davenport, Iowa, weekend of May 17 and 19, 1941.

First advertising in I. N. A. Bulletin was accepted at this meeting, and Mrs. Betty Laurent, Clinton, Iowa, was named Curator and Librarian of the Association.

First new bronze medals carrying the I. N. A. emblem and dates, etc., on reverse were presented at the Davenport meeting.

All officers of 1940 were re-elected for another year.

EIGHTH meeting of the I. N. A. held at Cedar Rapids at Montrose Hotel, on October 18 and 19, 1941. Revised Constitution & By-Laws presented and passed for first reading. Final adoption subject to approval at 1942 Spring meeting.

## Numismatic Heads Inspect Old Coins

Some of the oldest coins in display, entered by Ernest Moore of Muscatine, were being inspected when this picture was taken by The Journal cameraman Sunday at the annual meeting of the Iowa Numismatic convention at Hotel Muscatine.

In the picture are: Lloyd B. Gettys of Davenport, first vice president of the association; M. A. Radke of Des Moines, president of the Iowa Numismatic group; Burton H. Saxton of Cedar Rapids, secretary and treasurer and Mr. Moore of Muscatine.

### Coin Collectors From Wide Area Attend Sessions

Many came from distant places to participate, and coins valued in excess of \$40,000 were on display, when the Iowa Numismatic association annual fall meeting, attended by 76 members, was held Saturday evening and Sunday at Hotel Muscatine.

Presiding over the Sunday pro-

gram was Milton A. Radke of Des Moines, state president, with Burton H. Saxton of Cedar Rapids serving as secretary.

Outstanding coin dealers in attendance were F. K. Saab of St. Louis, Mo., Cpl. Arthur A. Kogen of Des Moines and M. H. Bolender of Des Moines.

Numismatic association members were present from Davenport, Philadelphia, St. Louis, New York City, Rhodes, Ia., Clinton, Cedar Rapids, Fairfield, Hillsboro, O., Des Moines, Waterloo, Dundee Ill., Grand Junction, Ia., Burlington, Walnut, Ill., Rock Falls, Ill., Williamsburg, Ia., Freeport, Ill., Reynolds, Cambridge and Kewanee, Ill., and from Muscatine.

Many outstanding displays were arranged for the inspection of the general public, as well as for members, Saturday night and throughout the day Sunday. Included was a display of ancient and curious coins by Ernest Moore of Muscatine. In his display dating back to the first type of money used for the medium

of exchange, was porcelain money, Siam bullet money and Chinese knife money.

Other interesting displays were by Lloyd Gettys of Davenport who showed paper money, featuring the old type large bills in all denominations, V. Leon Belt of Waterloo who exhibited Swedish money. A display of medals, taken in commemoration of historical events belonged to Burton H. Saxton of Cedar Rapids, and types of current coins and large U.S. cents were shown by C. David Pierce of Ottumwa.

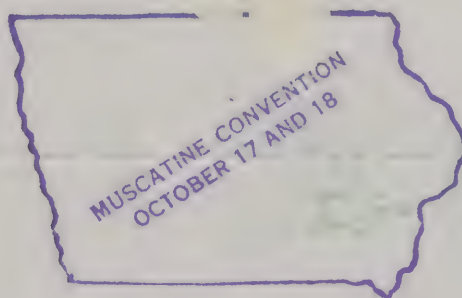

Installation of the exhibits took place Saturday evening at the hotel when approximately 35 were in attendance. Opening the scheduled program Sunday morning was the breakfast at 8 a. m. at the Spanish Villa for officers and their guests. M. A. Radke, president, was in charge of the business session at the hotel, which was followed by a dramatization "The Story of Money" by Mrs. Merle Nietzel. Mr. Moore addressed the group on his display of old coins. The banquet at noon was followed by afternoon discussions groups.

The matchlock is the oldest type of gun still in common use today. The Chinese, Tatars, Sikhs, Turks, and Persians still use this weapon and many of the guns actually were made in the 16th century.

## SPECIAL BULLETIN

\* \* \*

ALL ROADS lead to Muscatine for the tenth semi-annual convention of the Iowa Numismatic Association. We are all keenly aware of the gas and tire rationing problem, and while it presents some difficulties already, the situation MAY be serious enough next year to require cancellation of both spring and fall meetings. Is it not wise, therefore, to give ADDED importance to attending the MUSCATINE convention?

WHAT DO WE GET from these conventions? Certainly heaps of solid enjoyment from viewing the collections of our fellow members--and a lot of helpful information. Rarity, beauty, historical interest--all are there in abundance, and while we may "envy" a collector his possessions, it is no rancid envy, but rather a mixture of sincere congratulation and a fervent wish that we might duplicate his good fortune.

Again, we must confess to a certain satisfaction in displaying our own modest accumulations, for while they may lack sensational qualities, nevertheless it took us a long time, perhaps, to acquire them, and, more than likely, it was done at some sacrifice. Why shouldn't we take a quiet pride in our own collections and appreciate any interest they may create?

Then there are the informative talks given, the auction, the opportunity of looking over dealers' stocks, renewing older friendships and making new acquaintances--and the enjoyment of the general good fellowship which seems always to thrive among those who have in common a deeply fascinating hobby.

To spend a few hours in such surroundings is in no wise evidence of indifference to the savage conflict which has engulfed the world; rather, it is an interlude in which the daily tension may be relaxed, and mind and spirit refreshed; and who shall say these are not the ultimate returns on the invest-

Mr. Lester S. Wright,  
Secretary I.N.A.,  
2944 E. 18th Street,  
Davenport, Iowa.

Dear Sir:

In response to suggestions made to our representatives at the recent I. N. A. meeting at Fairfield, that Cedar Rapids, may, if requests are properly made, obtain the privilege of entertaining the next regular meeting of the Iowa Organization, proposed for some time in May, 1944.

As the result of such suggestion the Cedar Rapids Coin Club respectfully requested the executive board to decide favorably on our invitation.

In further development of the discussion, the Cedar Rapids Coin Club wishes to advance the splendid accommodations and centrally-located advantages of this city as a convention meeting place and requests the co-operation of the other chapters of Iowa, in an attempt to procure the 1946 meeting of the American Numismatic Association.

This meeting, as you are aware, is especially important to the state of Iowa in connection with the observance of its 100th anniversary of statehood. The A. N. A. should choose Iowa in 1946. We hereby advance our claims and plea for the support by the other clubs of Iowa for Cedar Rapids as the place of this meeting.

In the hope of a favorable response to both of these requests, may we beg to remain

Sincerely and Numismatically yours,

CEDAR RAPIDS COIN CLUB.

## BY-LAWS

### THE IOWA NUMISMATIC ASSOCIATION

#### ARTICLE I

##### Scope of the By-Laws

It is intended that all powers of the Iowa Numismatic Association, conferred upon it by virtue of its incorporation shall be executed in accordance with the provisions of these by-laws; and that admission to membership in the Association, the right and obligation of members and the tenure of membership shall be subjected to and dependent upon the provisions herein and the exercise of the authority herein conferred.

#### ARTICLE II

##### Membership

Section 1. Qualifications. Any person of good moral character having attained the age of 18 years and being interested in Numismatics may become a member of the Iowa Numismatic Association, subject to the provisions of the article.

Section 2. Application for Membership. Application for membership in the Association shall be made to the Secretary-Treas. in writing and in such form and under such conditions as the Board of Directors shall from time to time prescribe.

Section 3. Annual Dues. The amount of the dues shall be fixed by the Board of Directors and shall be due on Jan. 1st of each year and considered delinquent if not paid on or before May 1st. The membership year shall coincide with the calendar year. Members admitted during the first six months of the year shall pay full annual dues, but those admitted during the last six months of the year shall pay only one-half of the annual rate for the remainder of such year.

Application for membership shall be accompanied by advance payment of dues the amount of which shall be in conformity with the provisions of the foregoing paragraph. Should any application be declined, such payment shall be promptly returned to the applicant by the Secretary-Treasurer.

Section 4. Good Standing. A member in "good standing" within the meaning of the term as used herein is one who is not delinquent in the payment of dues or of any other indebtedness to the Ass'n., and against whom no charges have been preferred and sustained; provided that, if such charges have been sustained and the penalty of suspension as hereinafter provided shall have been exacted, such member shall be regarded as having been restored to good standing.

Section 5. Delinquent Dues and Other

Indebtedness. In event a member's dues shall become delinquent and are not paid within 30 days thereafter, the Sect'y-Treas. shall notify the Board of Directors who may then declare such membership terminated forthwith.

Similar action may be taken in the case of other indebtedness to the Association, the due date of which, in the absence of other provisions, shall be fixed by the Board of Directors; but such termination of membership shall not affect the validity of the claim for the amount due.

Section 6. Resignations. If a member wishes to resign, he shall submit his resignation to the Sect'y-Treas., and the same shall become effective as of the date received provided such member is in good standing and no charges are pending or are preferred within 30 days thereafter; otherwise, termination of membership shall be governed by such provisions of Sections 5 and 9 of this article as may apply thereto.

Section 7. Reinstatement. A former member may make application for reinstatement at any time within two years from date of termination of his membership. All applications for reinstatement shall be subject to the approval of the Board of Directors and

the payment of dues for the current membership year, and of any existing indebtedness to the Association.

Section 8. Honorary Members. No dues shall be charged honorary members elected in accordance with the provisions of Section 2 of Article III of the Constitution.

Section 9. Grievances. (a) Charges: Any member in good standing may prefer charges of conduct unbecoming a member against any other member, but such charges must be supported by evidence which, in the opinion of the Board of Directors to whom the case shall be submitted, justifies investigation; otherwise they may dismiss the complaint. All charges must be written and be specific in their terms.

(b) Hearing: Upon receipt of such written charges, the Board shall cause to be sent a copy of the same to the accused by Registered Mail, to his last known address, with notice as to the place and date of a hearing which shall be held not less than 15 days subsequent to the date of such notice. The accused may appear in person or be represented by council, or may make his answer by written communication. Both the accused and the member who filed the charges may call in witnesses. Should the accused, after receiving said notice ignore

the charges, making no answer whatsoever, the Board may never-the-less consider the case on its merits from the evidence submitted and render such verdict as seems to it justified.

(c) Penalties: If, in the judgment of the Board the charges have been sustained, they may penalize the accused by suspension for a period by them determined or by expulsion, giving him written notice of their decision promptly thereafter.

(d) Appeal: A member found guilty as charged may, at any time within 15 days thereafter, file with the Board a written notice of appeal, which with full information of the charges, evidence and answer shall be presented for final decision to the membership in attendance at the next regular meeting of the Association. A majority vote of not less than two-thirds shall be necessary to sustain the decision of the Board.

(e) A full and complete record of the charges, evidence, answer, decision of the Board and appeal, if any, shall be made and preserved by the Secretary-Treasurer.

No resignation by a member while under such charges shall be considered. In the absence of appeal, the verdict of the board shall be considered

as final, and binding upon all parties of interest.

### ARTICLE III

#### Meetings

Section 1. The meetings of the Association shall be regular and Special.

(a) Regular meetings shall be held in May and October of each year, on such days and at such places as may be selected by the Board of Directors.

(b) Special meetings may be called by the President or Board of Directors upon giving each member not less than two weeks written notice, mailed to his last known address, stating the date, place and purpose of such meeting. No business shall be transacted other than that specified in such notice.

### ARTICLE IV

#### Officers, Directors and Committees

Section 1. Officers. The officers of the Association shall be elective and appointive.

(a) The elective for the President, the First Vice President, a Second Vice President and a Secretary-

Treasurer. Such Officers shall be elected at the meeting in May and shall serve for one year or until their successors are elected and qualified. No elective Officer shall succeed himself to the same office more than once, except that this limitation shall not apply to the Secretary-Treasurer. A majority vote shall be sufficient to elect.

(b) The Appointive Officer shall be Librarian-Curator to be appointed by the President with the approval of the Board of Directors and to serve for one year or until a successor has been appointed.

Section 2. Directors. The Board of Directors shall consist of ten members as follows: The President, the First and Second Vice Presidents, Secretary-Treasurer, the immediate predecessor of the President and five others that shall be elected at the meeting in May--all to serve for one year or until their successors are elected and qualified. A majority vote shall be sufficient to elect.

Section 3. Vacancies. (a) Should a vacancy occur in the office of the President, it shall be filled before the unexpired term by the First Vice President, if available; otherwise by the Second Vice President. If such a vacancy occurs in any office other than

that of the President, it shall be filled for the unexpired term by appointment by the Board of Directors.

(b) In event of a vacancy in any appointive office, or in any committees, the President shall appoint a successor for the unexpired term.

(c) In the event of a vacancy in the Board of Directors, the remaining members may fill such vacancies by appointment for the remainder of the current year.

Section 4. Who are ineligible. A member who is actively engaged exclusively in the business of selling coins and other numismatic items, depending thereon for his livelihood, and any member who may not be in good standing as defined in Section 4 of Article II shall be ineligible for any office. An official found guilty of conduct unbecoming to a member, under the provisions of Section 8 of Article II, shall forfeit his office and the vacancy shall be filled as provided in Section 3 of this Article.

Section 5. Committees. (a) At or closely following the regular meeting held in May of each year, the President shall appoint the following standing committees to serve for one year:

Their duties shall be those usually appertaining to such committees; the Committee on Grievances shall deal only with complaints and disputes, of a nature not serious enough to justify formal charges as set forth in Section 9 of Article II. Decisions of the Committee on Grievances shall be binding on all parties at interest, unless appeal shall be taken to the Board of Directors, whose decision in any given case shall be considered final.

(6) The Board of Directors shall appoint an Auditing Committee prior to the date of the May meeting, with instructions to audit and report on the books and accounts of all Officers whose duties require such records, such reports to cover the twelve months period ending April 30th of the same year.

We note that the A.N.A. Convention Auction Catalogue, containing some 2700 lots of beautiful and choice material, listed only two Iowa items. A LeMars, Iowa, \$10. Lyons-Roberts 1902-1908 First National Bank Note, extra fine, selling at \$18.00, and the 1946 Iowa Centennial Commemorative Half Dollar, which brought \$4.00. Iowa items, most of which are considered scarce, we seldom see in the auctions.
